John Macdougall, Esq.,

Commissioner of Customs,

Ottawa.

Dear Mr. Macdougall:

Many thanks for your immediate reply to my request in ordering free entry for the apparatus, the list of which I gave you. I find that my list was not complete, as our Superintendent had only time to make out a partial list, but I presume what has been done for those that I sent you will hold for all similar apparatus used for a similar purpose in the laboratories.

Yours sincerely,

President.
